

Rustic

Rope

Flowerpot

You

will

need:

Flowerpot

Rope

Scissors

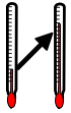

Glue gun and
glue sticks

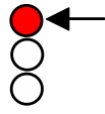

Instructions:

1

1. Heat up the glue gun.

2

2. Put some glue at the top of the flowerpot.

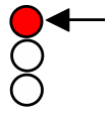

3

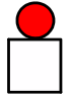

3. Put the end of the rope on the glue.

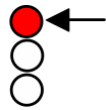

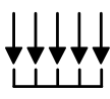

4. Put more glue at the top of the flowerpot and

stick the rope on.

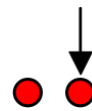

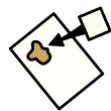

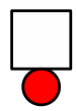

5. Glue rope all round the top of the

flowerpot.

6. Put glue below the rope and stick another

layer of rope round the pot.

7. Continue making layers until the whole

pot is covered.
